For more information or questions, call Janet Hoffman at 353-1838, coordinator of CHADD of Collier County.

CHADD of Collier County is a local chapter of the national non-profit organization that provides information and support to adults and to parents of children with Attention Deficit/Hyperactivity Disorder (all sub-types), and to educators and other interested professionals. **Educators receive 2 MIP points.** CHADD meets on the 4th Monday of each month through April excluding December. There is a support group for parents and for adults immediately following any guest speakers.
